

KIDS

A line art illustration on a light-colored, textured background. The scene features a honeycomb pattern in the upper left and lower right. A long, thin stem with a round bud at the top runs diagonally from the upper right towards the lower left. A bee is perched on the stem, facing left. To the right of the stem, a dragonfly is shown in profile, facing left. Below the stem, a wasp is perched on a small, leafy plant. The overall style is simple and clean, suitable for a children's book cover.
