

— EST.1849 ——

We have been brewing quality beers in Manchester now for 175 years. We take considerable time and effort brewing each beer and use the best quality ingredients. It is no surprise therefore that we have won 5 gold medals at the last 6 worldwide Brewing Awards, a feat only matched by three other Brewers in the world. These awards consider over 1000 beers worldwide and are judged as a blind tasting by over 30 qualified Brewers.

I hope therefore you enjoy looking through our portfolio of beers and pick out some great ones to try.

I much appreciate the business you kindly give us.

Richard Kershaw, Chief Executive.

#### HOW TO LOOK AFTER BEER

From our Head Brewer Phil Parkinson

- 1. Stillage beer immediately
- 2. Allow the beer to reach cellar temperature
- 3. Clean the shive and the keystone

4. Vent using a hard spile within 24 hours of the beer reaching cellar temperature

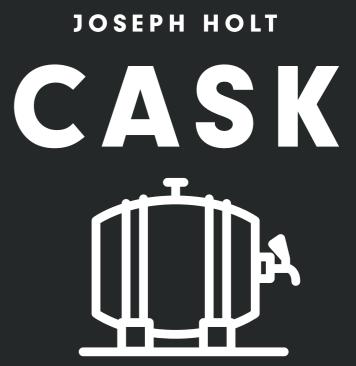

- 5. Tap the cask using a clean tap
- 6. Replace hard spile with a soft spile

7. If conditioning is brisk or lively, replace soft every few hours

8. Hard spile the beer, then check a sample in the cellar for clarity, aroma and taste

9. Attach a clean beer line, remove the hard spile and open the tap

- 10. Pull through the beer to the bar
- 11. Tilt the cask when 2/3rds full
- 12. Hard spile the beer at the end of each trading session

#### THE CHOSEN ONE...

#### CRYSTAL GOLD 4.5% ABV

Crystal Gold is the sweetest in the Joseph Holt Lager range. Brewed with whole hops from Slovenia, before being chilled and fermented at low temperatures - as a Lager should be. Crystal Gold is a decidedly clean Lager with a drop of sweetness on the aroma.

#### See: PALE STRAW

Smell: SLIGHTLY FLORAL

Taste: LIGHT, CRISP, REFRESHING

#### CRYSTAL

#### 3.8% ABV

Joseph Holt Crystal Lager is brewed using the highest quality ingredients, including choice Lager malt and Styrian Golding Hops. As the name suggests, Crystal is Crystal clear with a clean, white head. This is a light refreshing Lager with a suggestion of floral hops on the aroma.

#### FOOLS GOLD 3.9% ABV

A clean, crisp, very pale ale bursting with tropical fruit hops from Australia and the USA. Zingy and refreshing.

#### AMERICAN IPA 4.5% ABV

A crisp, smooth, pale ale, packed with juicy American hops. A big IPA with big New World flavours.

Bootleg Brewing Co. started brewing in 2010, housed in the Horse & Jockey pub and is currently the only brewery in Chorlton. The Horse & Jockey pub has been a staple in Chorlton since the 1800's so having a home inside such a historic pub, very much compliments our delectable range of new craft beers.

The micro-brewery was converted from the shell of the tower where the old disused brewery once stood and still remains there to this day.

As strong supporters of real ale and knowing from our own experience how important it is to keep the craft alive, we sponsor several festivals throughout the year. These include Stockport Beer Festival and our very own Chorlton Beer Festival.

Since our humble beginnings, we have now expanded our cask range with new craft beers that include: Urban Fox, Speak Easy, Fool's Gold, Twisted Groove, Black Market, Spun Gold, Back Street and Spin Doctor to complement our existing product range.

In 1846, Giuseppe Menabrea found the perfect place for his brewery, in a town called Biella at the foothills of the Italian Alps. Should you visit Biella today, you will find his family, now in their 5th generation, still crafting their remarkable birra in the same location with the same ingredients, passions and care. be drinkaware.co.uk

## 175<sup>TH</sup> ANNIVERSARY CHARITY APPEAL

#### Raising money for The Christie Hospital and Holt Radium Institute.

The Holt Radium Institute was founded by the first Sir Edward Holt in 1914. In 1933, this amalgamated with The Christie Hospital to form The Christie Hospital and Holt Radium Institute. Money raised from our appeal will go towards two things in the new Advanced Oncology Scanning Centre:

- A new Joseph Holt Reception Area, where every single patient at the Christie will sit and wait for their scan
- Providing the complex internal fabric for the new special 4D CT scanning room which will house a cutting edge scanner and be the first of its kind in the UK

OUR TWO FAMILY TRUSTS, WILL DOUBLE THE FIRST \$180,000 RAISED BY THE PUBS, BREWERY AND OFFICE.

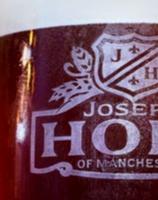

HALF A MILLION POUNDS IS THE BIGGEST APPEAL TARGET WE HAVE EVER SET!

> HELP US RAISE 500,000 OVER THE NEXT TWO YEARS

Joseph Holt will be celebrating our 175th year in business in 2024 and we will be commemorating this with your help by raising £500,000 for charity. Charity is part of Joseph Holt's fabric, our DNA and supports our goal for every pub to be the Heart of the Community. Read more about the charity appeal at: **joseph-holt.com/charity**
