

**THE SIDE TO
JOSEPH HOLT
YOU PROBABLY
KNOW.**

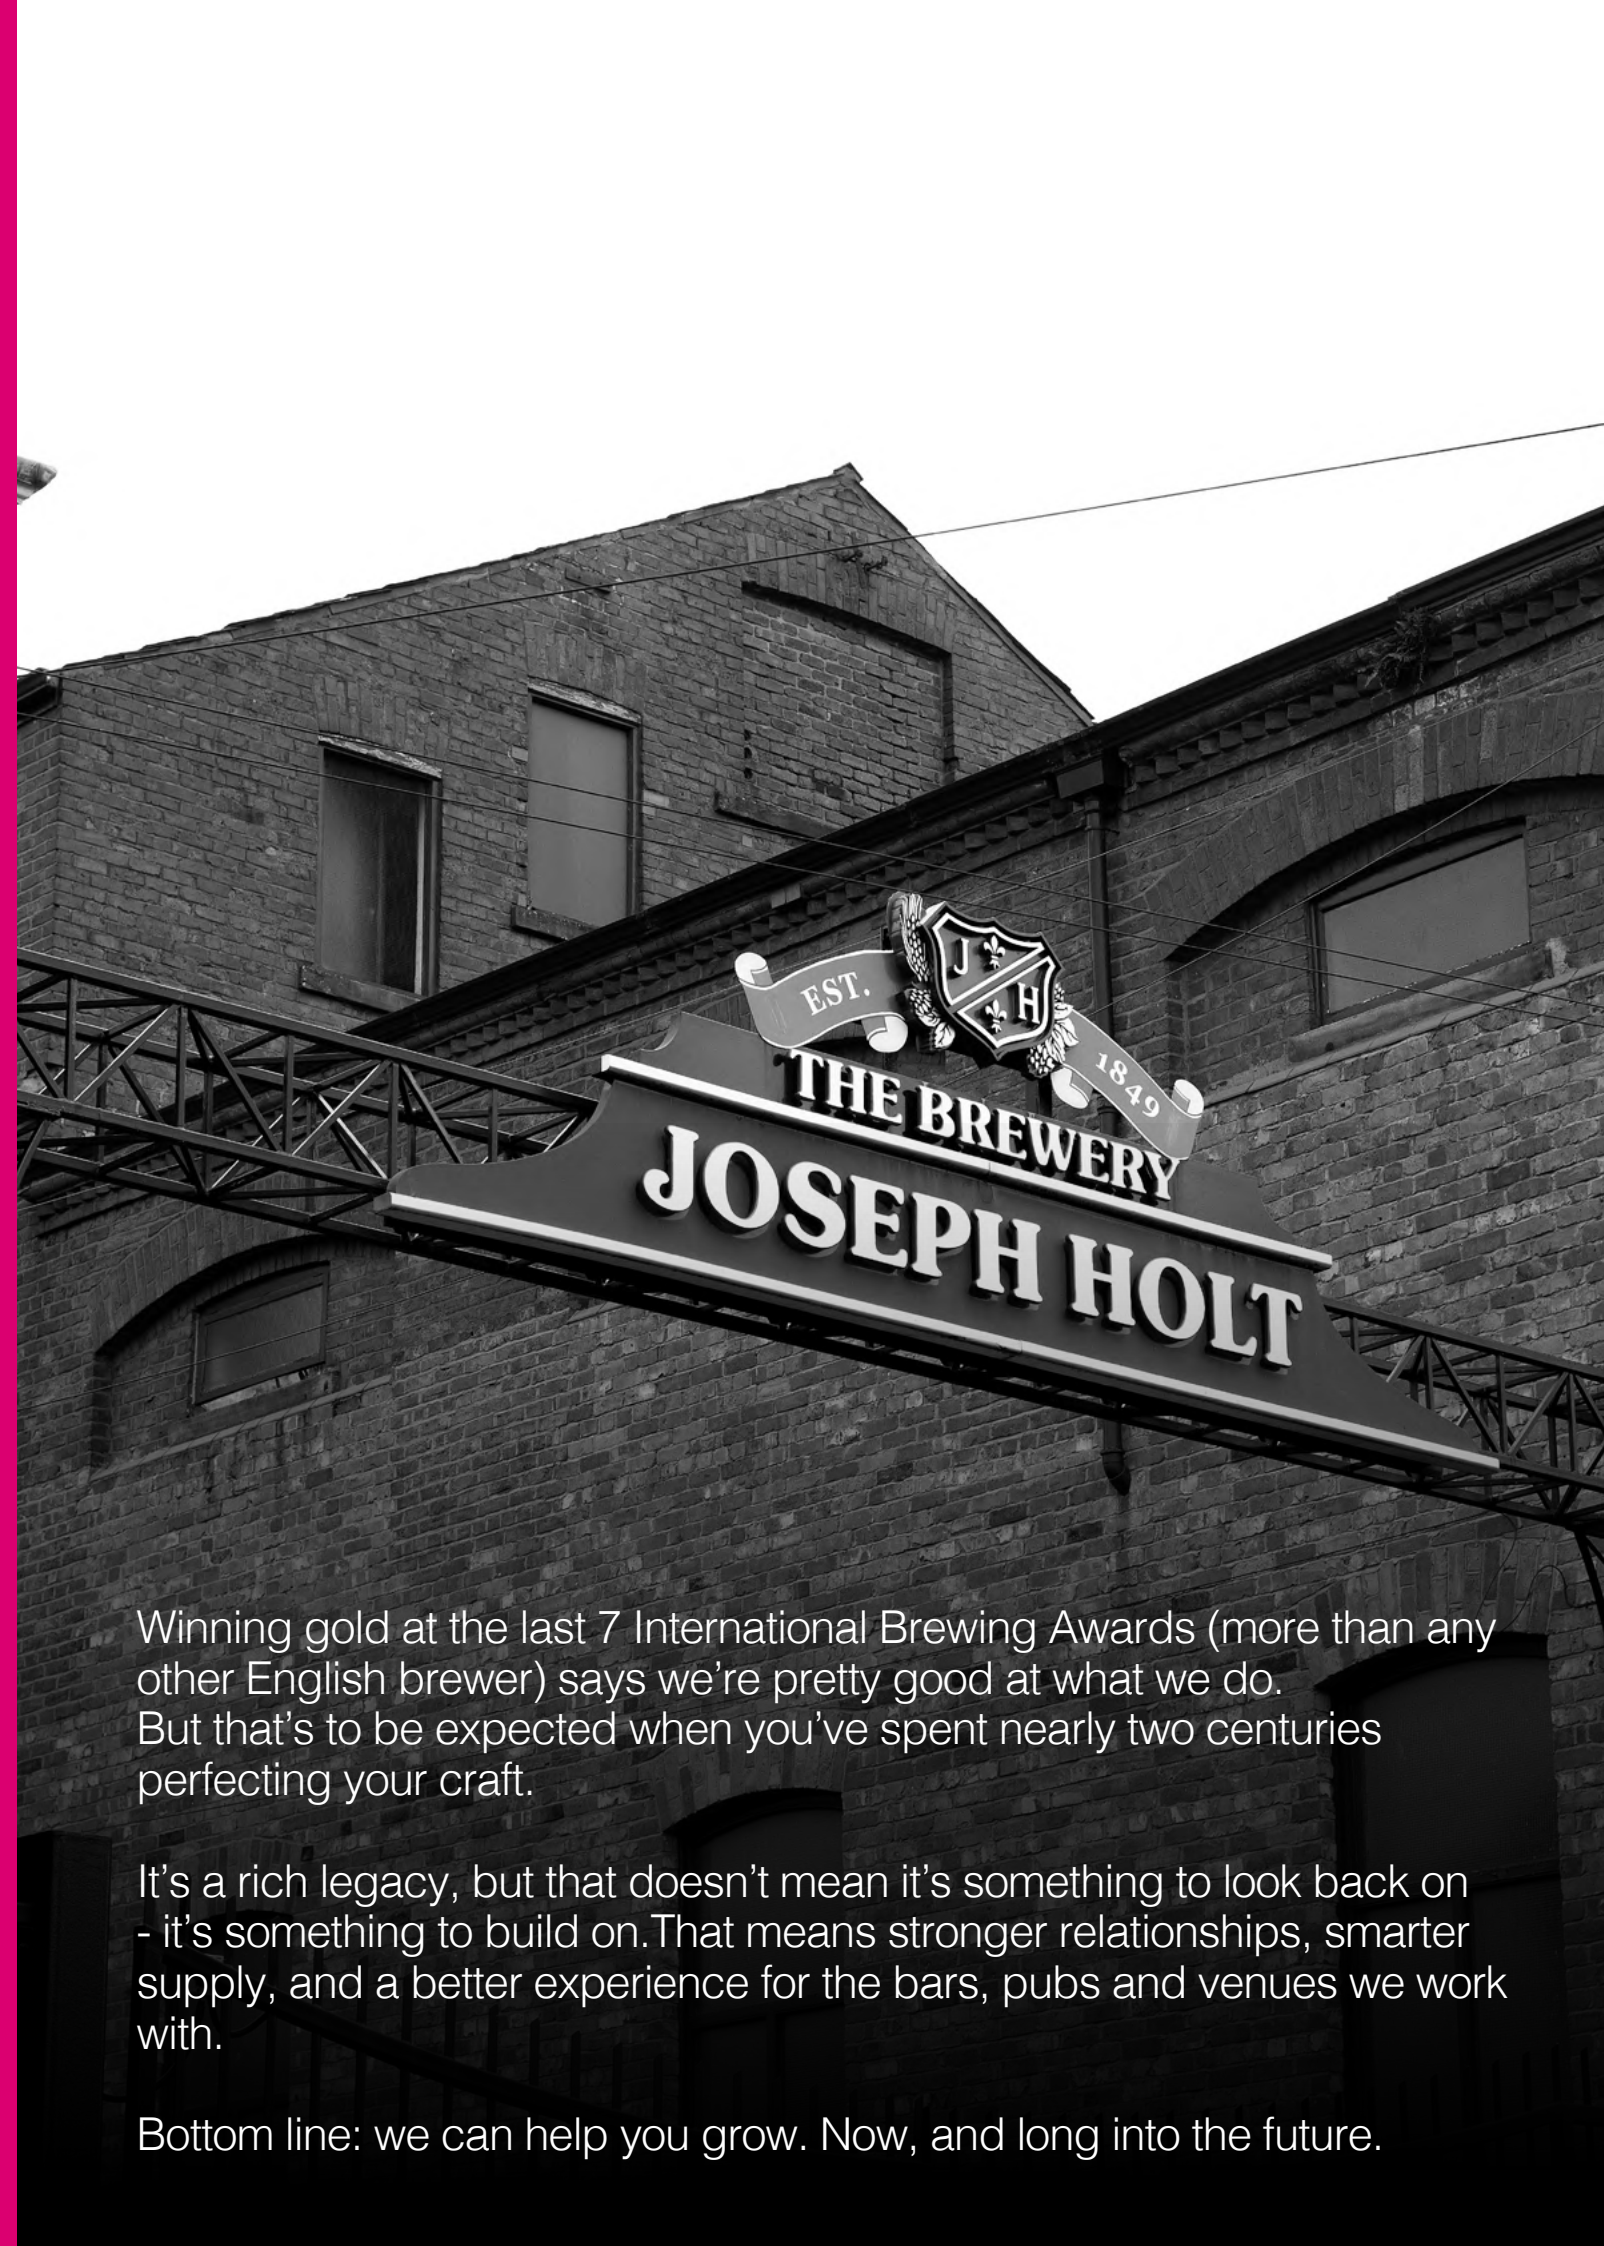

THE NAME YOU KNOW. THE BEER YOU LOVE.

Joseph Holt has been part of Manchester life since 1849. A proper brewery, with proud Northern roots and six generations of family behind it. We've earned our name the hard way - through craft, consistency and care.

From our first pint to our latest cask, we've always brewed beer with pride, purpose, and a deep respect for the people who drink it. And although we're now national suppliers of multiple big brands, we're still brewing in the heart of the city. Still pulling pints in over 120 pubs across the north. Still serving the same values you know and trust.

Because tradition isn't just what we come from. It's what we carry forward. This is the Joseph Holt you know. Brewers first, and brewed to last.

PROUD OF
WHERE WE'VE
COME FROM.
EXCITED FOR
WHERE
WE'RE GOING.

Winning gold at the last 7 International Brewing Awards (more than any other English brewer) says we're pretty good at what we do. But that's to be expected when you've spent nearly two centuries perfecting your craft.

It's a rich legacy, but that doesn't mean it's something to look back on - it's something to build on. That means stronger relationships, smarter supply, and a better experience for the bars, pubs and venues we work with.

Bottom line: we can help you grow. Now, and long into the future.

HERITAGE ON TAP.

As proud as we are of the beers we brew, we understand that consumers demand a wider selection of international brands. So we supply those too.

And that makes our offering rather unique.

Yes, other suppliers provide similar brands. But they're not steeped in brewing history like we are, they don't understand the pub trade like we do, and they can't offer the same level of expertise and advice like we can.

Joseph Holt is a family business. And we're accepting new members.

BOOTLEG Brewing Co.

Bootleg Brewing Co. started brewing in 2010, housed in the Horse & Jockey pub and is currently the only brewery in Chorlton. The Horse & Jockey pub has been a staple in Chorlton since the 1800's so having a home inside such a historic pub, very much compliments our delectable range of new craft beers.

The micro-brewery was converted from the shell of the tower where the old disused brewery once stood and still remains there to this day.

As strong supporters of real ale and knowing from our own experience how important it is to keep the craft alive, we sponsor several festivals throughout the year. These include Stockport Beer Festival and our very own Chorlton Beer Festival.

Since our humble beginnings, we have now expanded our cask range with new craft beers that include: Urban Fox, Speak Easy, Fool's Gold, Twisted Groove, Black Market, Spun Gold, Back Street, our Seasonal festive beer Christmas No.1 and the new premium indie Lager Spin Doctor to complement our existing product range.
